## Buggin' Out

June 28 - June 30 Cost: \$115

Kids love bugs! This week encourages campers' enthusiasm for invertebrates of all kinds, from centipedes to cicadas. Together we'll learn to stridulate (sing) like crickets, hunt like a praying mantis and play exciting games based on insect movements

July 5 - 7 Cost: \$115

Healthy Choices make for Healthy Kids! Campers will engage in an interactive week learning to make healthy choices with hands-on activities, being a food label detective and deciphering the food fact codes, participating in a variety of Fun Fitness activities, and evaluating the sugar in your diet with another cool kid friendly activity. Kids will get excited about eating healthy and feeling great!

## Things in Motion

July 10 - 14 Cost: \$190

Moving fast this week, real fast. What goes up must come down...the only thing holding us back are the laws of physics. Campers will utilize math, engineering and scientific concepts in their pursuit of all things speed. Special trip to the Mt Olive Carnival on July 13 to experience some real life physics!

## Art Mania

July 17 - 21 Cost: \$190

Paint, pencils, jello, cornstarch... What do these all have in common? They can be used to unleash the imaginations and creativity of our campers! Individual and group projects will be created throughout the week to be displayed in an Art show on Friday afternoon.

Special guests will drop by throughout the week to share their ideas and crafts.

## Camp DD's **GOT TALENT**

July 24 - 28 Cost: \$190

Every Camper has talent and this week they will shine. Working in groups or individually, campers will have opportunity to practice their talent each day to perform in Friday afternoons "Camp DD's got talent"

## Hydro - licious

July 31 - Aug 4 Cost: \$190

All things water rules this week! Soaked sponges to Water slides campers will have a blast. Campers will also investigate the power of water, why water is important to our environment and our bodies. A trip to Hopatcong State Park is scheduled for Wednesday Aug 2 (weather permitting)

**Proper Car Seat Use Can  
Reduce Injuries and Save Lives!**

## DID YOU KNOW?

According to the National Highway Traffic Safety Administration, motor vehicle crashes are the leading cause of death among children six months of age and older in the United States. The proper use of car seats is one of the simplest and most effective methods of protecting the well-being and lives of our children.
