

## Instrument Checklist

### Lesson Books

Lesson books can be ordered with the instrument rental. If you need to purchase one on your own, these are the books we use.

### Band Students: *Standard of Excellence, Book 1, Enhanced*

This book includes software to assist in practice at home.

Details about system requirements are on the back of the book.

### String Students: *Essential Elements 2000 for Strings, Book 1*

This book includes play-along tracks on CD and DVD, as well as other useful software.

**Folding music stands** are highly recommended for all instruments, to ensure proper playing position while practicing at home.

**If you already own an instrument**, please double check that all the items listed on the back are present. Most of the accessories will be supplied with a rental instrument. If not, you should be able to find most of the items at any music store. Take this list with you for reference.
