PROSPECTIVE INTERNS

This program is intended to give you a real experience in a professional workplace. By working with local organizations, you will be able to explore a possible career choice or gain experience before you graduate that will help with your career selection. A broad range of jobs and experiences will be posted outside of the guidance office. All you have to do is complete a preliminary application and short essay outlining the qualities that would make you the ideal candidate.

This is a competitive internship process, and the cooperating company has the ultimate selection of the successful candidate. Therefore, it helps to have a well presented essay and come well prepared if you are contacted for an interview or meeting. GOOD LUCK!

Reasons to Participate

★ Professional experience

★ Academic Credit
  2.5 Credits for 75 Hours
  5 Credits for 150 Hours

★ Possibility of entering the world of employment

★ Acquisition of knowledge

★ Flexibility

For application materials or additional information, please visit the Guidance Department at Mount Olive High School.
PROSPECTIVE COMPANIES

By teaming with students at Mount Olive High School, you give our students an opportunity to experience the working world in a real and authentic way while you also gain assistance from their knowledge and abilities.

Due to the competitive nature of the internship applications and our screening process, you are ensured a candidate of your choosing that has a strong academic standing. Additionally, we will help to monitor and ensure that students come prepared for the workplace through our mandatory training session. It is our hope that both the company and the intern benefit from the Junior Internship Program.

Thank you for your considering this exciting opportunity, and we look forward to working with you to ensure a successful internship experience for our students!

Please contact Mr. Hughes at phughes@mtoliveboe.org if you have questions or are interested in learning more about the program.
